### अंतराष्ट्रीय योग दिवस 2022

हर बार की तरह इस बार भी अंतर्राष्ट्रीय योग दिवस 2022, 21 जून को मनाया गया | जिसकी थीम "योगा फॉर वेल बीइंग" थी | विज्ञान महाविद्यालय की पांचो एनएसएस इकाइयों के विद्यार्थियों द्वारा योगा दिवस अपने अपने घरों पर मनाया गया जिसमें अलग-अलग तरह के आसन किए गए | आज की इस जीवन शैली को सुधारने के लिए योगा का अपना एक महत्व है और हर इंसान को इसे अपनी जिंदगी में अपनाना चाहिए | योग एक कला है जो हमारे शरीर मन और आत्मा को एक साथ जोड़ता है और हमें मजबूत और शांतिपूर्ण बनाता है | यह तनाव को कम करने में भी मदद करता है और हमारे संपूर्ण स्वास्थ्य को बनाए रखता है | अगर इसका अभ्यास निरंतर किया जाए तो एक स्वस्थ मन अच्छी तरह से ध्यान को केंद्रित करने में जरूर सफल हो सकता है |

The corona virus pandemic has reached almost every country in the world. Its spread has left national economies and businesses counting the costs, as governments struggle with new measures to tackle the spread of the virus. Despite the development of new vaccines, many are still wondering what recovery could look like. Everyone is taking precautions and taking care of oneself and family. However the cases are increasing and this virus is spreading.

In this crucial CORONA pandemic period as a HEI it is our prime social responsibility to stop spread and take proactive step ahead to help society in our own capacity. To fulfill

#### Objectives

### **About the Workshop**

The corona virus pandemic has reached almost every country in the world. Its spread has left national economies and businesses counting the costs, as governments struggle with new measures to tackle the spread of the virus. Despite the development of new vaccines, many are still wondering what recovery could look like. Everyone is taking precautions and taking care of oneself and family. However the cases are increasing and this virus is spreading.

In this crucial CORONA pandemic period as a HEI it is our prime social responsibility to stop spread and take proactive step ahead to help society in our own capacity. To fulfill this responsibility we require an institutional mechanism for continuous support. This workshop will help to prepare mentors (principals & faculties) in HEI's who in turn will help prepare a group of students as COVID helpline volunteers, who can further help and support needy people.

#### **Advance Stitching Training Among Tribal Women**

Students taught the tribal women the basics of sewing, during the training, Emphasis was laid on the things to keep in mind while stitching clothes, and the problems faced in sewing machines and how to overcome them were also taught. In the past also such training camps were organized by the department for tribal women tailors in Devla village. The training camp organized on 20th August 2021 follow up was done and the women were made aware of the features of the lab recently established by the Department of Fashion Technology and Designing in Udaipur under RUSA and were motivated to acquire knowledge through it .. Tribal women tailor actively participated in the camp and they also demanded to organize such training camps in future. The one-day training came to an end with the assurance of Dr. Dolly Mogra, Head of the Department, that more efforts would be made to promote entrepreneurship development in the tribal area.

**Tribal costume survey** —A survey was done in Devla village to study the tribal costumes of Females and children. Students did the descriptive survey and interview method to study the traditional and existing costumes concerning fabrics, prints, patterns, and colors used, to study the clothing behavior of girl children and women as related to socio-cultural factors.

The older generation as well as local dealers and Garasia women were personally interviewed. With the change in the socio-economic status of the tribal women, certain cultural changes have been observed and reflection of the same can be witnessed in their traditional costume. It was also observed that the Costumes of the Garasia tribe are exclusive, unique, and have a specific type of dressing. This makes their traditional outfits stunning. A wide range of silver ornaments is employed with specific dressing styles. Women of the Garasia tribe wear a black sari with the red color of blouse along with a large petticoat. Women like to create different types of tattoos on their bodies. Garasia's clothing is attractive and colorful. Women's costumes have dark shapes of green, blue, and red. Jhulki is an upper-body garment (jacket) with a long sleeve and front opening features. Below this jacket is a garment also worn, which is a dress called polaku.

Unmarried girls like to wear a long skirt to cover their head and the upper part of their body with odhna. This is a unique style of wearing known as haluru or harlu. Widows wear odhna in black color and chhano. They commonly wear jewelleries of shells, stones, and bronze. Vithali is another common nose ring and the earrings are Damani and Oganiya. Colourful neck ornaments are KanikoyaPatiyu, Pulyu, or Bhamrio, made of silver or glass beads. Moreover, they like to put on Hains, Hariyoo, and Hansli, and white bangles made of shellac. A wide range of jewelleries in silver ornaments called Haathpanis used for covering the backside of the hand with beautiful floral designs. Feet adorning ornaments include Karla or Pavla, beautiful silver anklets worn with toe rings are called Anguthia or Polari.

#### **Cultural visit to Temples**

During this tour students also visited the Temples of Devla Village and nearby Temples to study the decorative clothing of the Goddess. They interviewed the priest of the Temple and observed that God's Dress and decoration of the Temple are according to the occasion and day specific.

• To impart the Skills of Making Kites.

• To develop the entrepreneurial skill among the students.

**Overview of the Programme** The scenes of the combined celebrations of MakarSakranti and ongoing celebration of Republic Day and Azaadika Amrit Mahotsav, portrayed the way, the department of fashion technology and designing, Mohan Lal Sukhadia University has taken the sky mode for its future journey.

Handmade and hand painted in trio-colour of our national flag, the kites flying in the sky from the grounds of the University brought in the feeling of not just mere patriotism but in came the feeling of self reliance and skill development.

The students also showcased their Rangoli making talent by making beautiful and inspiring theme based rangoli on the grounds of the university play ground.

The students were engrossed in a week long workshop for the preparation of the beautiful kites that they made with each kite having a unique design touch in terms of patterns and embellishments.

10 students Participated in the workshop. The enthusiasm of making their own kites was very interesting .Workshop continued for two days .Each student made 20 kites on an average. Students made newspaper kites, once they had mastered this skill they went on to plastic and fine paper kites. Each student then was free to embellish and decorate their kite however they liked on the flag color theme. By the end of the workshop we had made over 200 kites in various different sizes, shapes and materials. We decided to fly the kites on the 26th of January (Republic day) as to celebrate Azadi ka Amrit Mahotsav .

The event was marked by the graceful presence of Vice Chancellor, Prof. Amarica Singh and he congratulated the head incharge, Dr. Dolly Mogra for her vision and efforts in directing the student's learning and energies towards the right path.

**Venue:** Department of FT&D, Nehru Hostel Premises

No. of Participants:30

#### **Objectives of the Programme:**

To develop illustration skills among the student of Fashion Designing and Technology

#### **Overview of the Programme**

Learning is not attained by chance; it must be sought for with ardour and attended to with diligence. The effort of organising a workshop and the due participation proves the aspect of learning amongst the department.

Another bright picture of Department's progressive working was inked during the 3 day Illustration workshop organised for the students.

Illustration is a picture or a drawing or the act of creating the drawing.

The activity of the art of illustrating forms the basis of design and fashion portrayals.

The art of illustrating is an experienced and improvised form of learning which needs to be nurtured and polished from time to time, keeping face with latest supportive software technologies as well.

A team of 30 Designing and Fashion students indulged in the workshop organised in the college premises.

The master trainer and the very experienced professor, Mukesh Kumar Auditchya walked the students through the minor and major details of Illustration. During a 3 day long workshop, he taught the students the very minute key details involved in the art of illustrating. Learning is experience, everything else is just information. And nothing better than learning from the experienced.

The efforts of the department head, Dr. Dolly Mogra and the faculty members finally got illustrated.

#### BT1FY1-23/BT2FY1-23: Human Values Activities and Sports

#### **PS 1:**

Introduce yourself in detail. What are the goals in your life? How do you set your goals in your life? How do you differentiate between right and wrong? What have been your salient achievements and shortcomings in your life? Observe and analyze them.

#### **PS 2:**

Now-a-days, there is a lot of talk about many techno-genic maladies such as energy and material resource depletion, environmental pollution, global warming, ozone depletion, deforestation, soil degradation, etc. - all these seem to be manmade problems, threatening the survival of life Earth - What is the root cause of these maladies & what is the way out in opinion?

On the other hand, there is rapidly growing danger because of nuclear proliferation, arms race, terrorism, breakdown of relationships, generation gap, depression & suicidal attempts etc. - what do you think, is the root cause of these threats to human happiness and peace - what could be the way out in your opinion? **PS 3:** 

1. Observe that each of us has the faculty of "Natural Acceptance", based on which one can verify what is right or not right for him. (As such we are not properly trained to listen to our "Natural Acceptance" and may a time it is also clouded by our strong per-conditioning and sensory attractions).

#### Explore the following:

- (i) What is Naturally Acceptable" to you in relationship the feeling of respect or disrespect for yourself and for others?
- (ii) What is "naturally Acceptable" to you to nurture or to exploit others? Is your living in accordance with your natural acceptance or different from it?
  - 2. Out of the three basic requirements for fulfillment of your aspirations right understanding, relationship and physical facilities observe how the problems in your family are related to each. Also observe how much time & effort you devote for each in your daily routine.

#### **PS 4:**

- 1. a. Observe that any physical facility you use, follows the given sequence with time: Necessary and tasteful - unnecessary but still tasteful - unnecessary and tasteless - intolerable b. In contrast, observe that any feeling in you is either naturally acceptable or not acceptable at all. If not acceptable, you want it continuously and if not acceptable, you do not want it any moment!
- 2. List down all your important activities. Observe whether the activity is of "I" or of Body or with the participation of both or with the participation of both, "I" and Body.
- 3. Observe the activities within "i". Identify the object of your attention for different

moments (over a period of say 5 to 10 minutes) and draw a line diagram connecting these points. Try to observe the link between any two nodes.

#### **PS 5:**

- 1. Write a narration in the form of a story, poem, skit or essay to clarify a salient Human Value to the children.
- 2. Recollect and narrate an incident in your life where you were able to exhibit willful adherence to values in a difficult situation.

#### **PS 6:**

List down some common units (things) of Nature which you come across in your daily life and classify them in the four orders of Nature. Analysis and explain the aspect of mutual fulfillment of each unit with otherorders.

#### **PS 7:**

Identify any two important problems being faced by the society today and analyze the root cause of these problems. Can these be solved on the basic of natural acceptance of human values? If so, how should one proceed in this direction from the present situation?

#### **PS 8:**

- 1. Suggest ways in which you can use your knowledge of Science/Technology/Management etc. for moving towards a universal human order.
- 2. Propose a broad outline for humanistic Constitution at the level of Nation.

#### **Project:**

Every student required to take-up a social project e.g. educating children in needy/weaker section; services in hospitals, NGO's and other such work i.e. social work at villages adopted by respective institute/ college.

### Report of the visit of M.Sc. (Physics) students of Engineering College, Bikaner.

On 7-3-2022, the post graduate students of the Govt. Engineering College, Bikaner visited the post graduate and the research labs of the Physics Department. The trip was plannard under the supervision of Dr. M.S. Shekhawat and his colleagues. Initially students visited the PG laboratories and interacted with the PG students of the Physics department of the MLSU. There were several queries about the sophisicated instruments in the laboratories and the kind of studies being carried out. Students interacted with the faculty members regarding their interest and the research activities operational in the department. They visited the Compton profile lab, Photovoltaic devices and thin film lab, Magnetism lab, Computational Materials Science lab, Materials Science lab and the Atomic & Molecular Physics lab. They enquired about the institutes of higher learning in the country engaged actively in the area of their research interest and the procedure to get admission for higer learning in those institutes. They also explored the research opportunities in various research labs of the Department. Dr. M.S. Shekhawat and his colleagues found the visit inspiring and useful.

# महिला अध्ययन केंद्र द्वारा स्तनपान सप्ताह का बहुआयामी दृष्टिकोण से आयोजन महिला अध्ययन केंद्र का सरोकार समाज से, युवाओं को जागरूक करना अहम् कार्यः प्रो अमरीका सिंह

महिला अध्ययन केंद्र ने स्तनपान सप्ताह पर जागरूकता अभियान का आयोजन किया, यू. जी. सी. महिला अध्ययन केंद्र, मोहनलाल सुखाडिया विश्वविद्यालय के तत्वाधान में १ से ७ अगस्त २०२१ स्तनपान सप्ताह का आयोजन किया गया। इस अवसर पर केंद्र द्वारा विभिन्न कार्यक्रमों का आयोजन किया गया। जागरूकता अभियान, पोस्टर प्रतियोगिता, विश्वविद्यालय द्वारा गोद लिए गांव में जागरूकता शिविर, सेंटर के इन्फ़र्मेशन एंड डिसेमिनेशन इनिशीयिटव के तहत ई- पोस्टर का सोशल मीडिया पर प्रसारण और संयुक्त राष्ट्र द्वारा स्तनपान विषय पर समय समय पर बने पोस्टर्ज़ को हिंदी में अनुवाद किया गया जिससे शहर और गांव के लोगों तक जानकारी आसानी से पहुँच सके। इस साप्ताहिक कार्यक्रम में प्रो अमरीका सिंह, कुलपित मोहनलाल सुखाडिया विश्वविद्यालय द्वारा हिंदी अनुवादित पोस्टर्ज़ का विमोचन किया गया. प्रो अमरीका सिंह ने समाज में लैंगिक समानता, समुच्चय विकास और संस्थानो में महिलाओं के लिए उचित व्यवस्था बनाने पर ज़ोर दिया. और साथ ही कहा कि महिला अध्ययन केंद्र को शोध के साथ ही साथ समाज में ऐसे कार्यक्रमों द्वारा समाज में जागरूकता बढ़ाने के उददेश्य से कार्य करते रहना चाहिए.

प्रो. सी. आर. सुथार, अधिष्ठाता, सामाजिक विज्ञान एवं मानविकी महाविद्यालय ने भी इन पोस्टर्ज़ का विमोचन किया और केंद्र को बधाई दी. उन्होंने कहा कि केंद्र भविष्य में एन.एस.एस. के साथ मिलकर कार्यक्रम कर सकता है. जागरूकता अभियान के तहत अग्रेज़ी और हिंदी अनुवादित पोस्टर्ज़ को विश्वविद्यालय के सभी महाविद्यालयों में लगाया गया। विज्ञान महाविद्यालय, वाडिज्य महाविद्यालय, विधि महाविद्यालय के डीन और विभागाध्यक्ष ने अपने महाविद्यालय में पोस्टर्स लगवा कर विद्यार्थियों का उत्साहवर्धन किया. विश्वविद्यालय के गर्ल्ज़ हॉस्टल में भी पोस्टर्ज़ लगाए गए और एम डी एस गर्ल्ज़ हॉस्टल में बालिकाओं से डॉक्टर गरिमा मिश्रा सहायक आचार्य महिला अध्ययन केंद्र ने बात चीत की और स्तनपान से सम्बंधित बिंदुओं को उजागर किया।

इसके साथ ही जागरूकता अभियान के तरह गाँव के आंगनवाड़ी और प्राथिमक चिकित्सा केंद्र, विद्यालय, बाज़ार में पोस्टर्ज़ चिपकाए और गाँववासियों को जागरूक किया गया। विद्यार्थियों ने स्तनपान से जुड़ी जानकारियों और इनसे होने वाले लाभ, महामारी के समय से जुड़े सवालों पर केंद्रित पोस्टर बनाए। पोस्टर प्रतियोगिता का आयोजन किया गया जिसने महिला अध्ययन केंद्र के छात्रा छात्राओं ने भाग लिया। विद्यार्थी अपने घरों पर पोस्टर बना के वट्सऐप ग्रूप पर साझा किए। केंद्र ने ई पोस्टर्ज़ को सोशल मीडिया की सहायता से लोगों तक पहुँचाया जिसने क़रीब ९ तरह के पोस्टर्ज़ थे जो माँ पिता, परिवार, दोस्त, विधिनिर्माता, कार्यस्थल और नियोक्ता की भूमिकाओं पर बात करते हैं और कोविड १९ से संक्रमित माँ के लिए स्तनपान से सम्बंधित जानकारी प्रदान करते हैं। केंद्र ने इन पोस्टर्ज़ को अपने इन्स्टग्राम पेज भी अपलोड किया। जिससे अधिकतर विश्वविद्यालय के छात्र छात्राएँ तक बात को पहुँचाया जा सके।

इस साप्ताहिक कार्यक्रम में महिला केंद्र के निदेशक प्रो प्रतिभा पाण्डेय के दिशानिर्देश में डॉ गरिमा मिश्रा सहायक आचार्य महिला अध्ययन ने बी ए (जेंडर स्टडीज) के विद्यार्थियों के साथ मिलकर इसे सफल बनाया. वर्तमान में, महिला अध्ययन केंद्र में पी.एच.डी., बी. ए. (वीमेन'स स्टडीज), सर्टिफिकेट कोर्स (वीमेन एंड लीगल राइट्स) पढाया जा रहा है.

### विश्व मानसिक स्वास्थ्य दिवस और अंतराष्ट्रीय बालिका दिवस

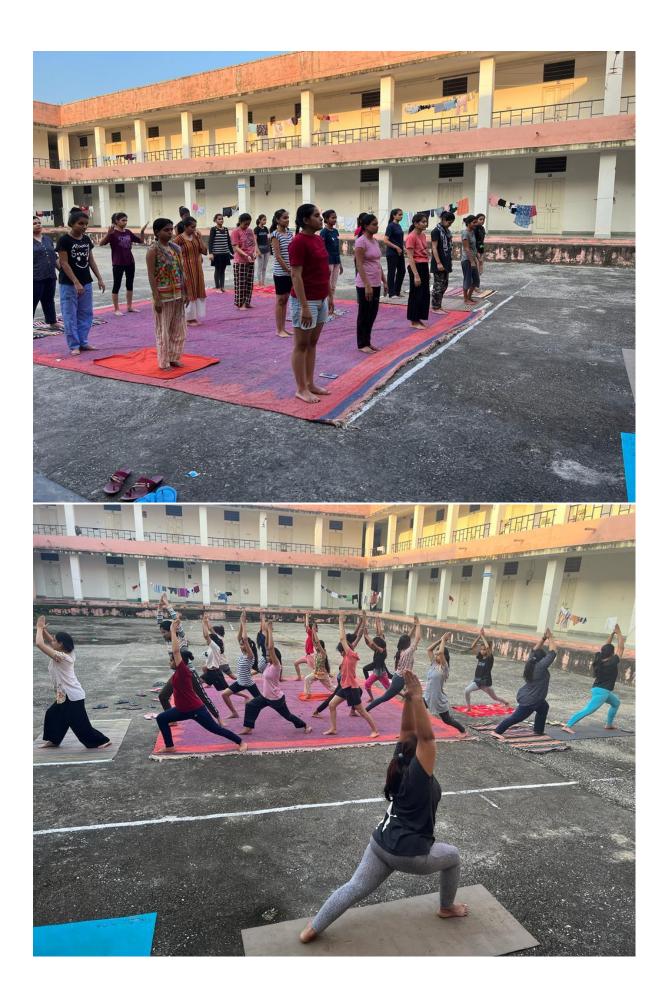

यू. जी. सी. महिला अध्ययन केंद्र एवं चीफ़ वॉर्डन ऑफ़िस, यूनिवर्सिटी हास्टल्ज़, मोहनलाल सुखाडिया विश्वविद्यालय के तत्वावधान में विश्व मानसिक स्वास्थ्य दिवस (१० अक्टूबर २०२१) और अंतराष्ट्रीय बालिका दिवस (११ अक्टूबर २०२१) के उपलक्ष्य पर मानसिक स्वास्थ्य विषय के प्रति जागरूकता बढ़ाने के लिए १० अक्टूबर को एम डी एस गर्ल्ज़ हॉस्टल में मानसिक स्वास्थ्य पर एक व्याख्यान का आयोजन किया गया और १० अक्टूबर से १७ अक्टूबर तक एक सप्ताह का योग शिविर का आयोजन किया गया। डॉक्टर गरिमा मिश्रा, सहायक आचार्य, यू जी सी महिला अध्ययन केंद्र एवं वॉर्डन, एम डी एस गर्ल्ज़ हॉस्टल ने कुलपित प्रो. अमेरिका सिंह को विभाग की तरफ़ से धन्यवाद देते हुए केंद्र निवेशक प्रो प्रतिभा एवं चीफ़ वॉर्डन प्रो मंजु बगमार का संदेश छात्राओं तक पहुँचाया। बालिका शिक्षा के महत्व और पूर्व गर्भाधान और प्रसव पूर्व निदान तकनीक (PCPNDT) अधिनियम, 1994 के विषय पर छात्राओं को जागरूक किया।

मानसिक स्वास्थ्य पर चर्चा करते हुए डॉक्टर हेमा मेहर, सहायक आचार्य, मनोविज्ञान विभाग ने छात्राओं से बातचीत की और उन्हें शारीरिक स्वास्थ्य के साथ मानसिक स्वास्थ्य को बेहतर रखने के उपाय साझा किए। और यह भी बताया की छात्राएँ कैसे समझे कि वे किसी मानसिक समस्या से गुज़र रही है।

योग एक्स्पर्ट श्रीमती मीना जैन छात्राओं को एक सप्ताह के योग शिविर में सुबह एक घंटा योग के गुर सिखाने के साथ इनसे होने वाले लाभ की जानकारी भी दी। यह सात दिवसीय शिविर में ३० से अधिक छात्राओं को लाभ प्राप्त हुआ। इस शिविर में योग एक्स्पर्ट मीना जैन द्वारा प्रत्येक दिन विभिन्न योग आसन और प्राणायाम छात्राओं को सिखाया गया। जिसमें क्रमशः शरीर को मजबूत करने, लचक बढ़ाने, ब्लड सर्क्यलेशन बेहतर करने, मोटापा कम लेने, माहवारी की समस्या, मानसिक स्वास्थ्य को बेहतर बनाने के लिए उपयोगी व् उचित योगासन व प्राणायाम बताए गए तथा आख़िरी दिन छात्राओं ने अपनी समस्याओं को एक्सपर्ट के साथ साझा किया और योगा की टेक्नीक से सम्बंधित प्रश्नोत्तर किए। छात्राओं ने इन सात दिनों के अपने अनुभव साझा किए और आग्रह किया कि योगा शिविर लम्बे समय के लिए आयोजित किए जाए जिससे वे इसे बेहतर तरीक़े से सीख सकें।

डॉ गरिमा मिश्रा और मीना जैन ने छात्राओं के सभी सवालों का जवाब दिया और कार्यक्रम का समापन ध्यान की क्रिया के साथ किया गया। इस मौके पर डॉ मिश्र ने कुलपित अमरीका सिंह के मार्गदर्शन एवं प्रोत्साहन के लिए धन्यवाद् ज्ञापित किया। और छात्रावास की वार्डन स्नेहा सिंह, सहायक आचार्य, विधि महाविद्यालय ने श्रीमती मीना जैन को छात्राओं को अपना समय देने के लिए आभार व्यक्त किया और सभी को धन्यवाद दिया।

छात्राओं में उत्साह देखा गया और उन्होंने एक्स्पर्ट्स से खुल कर बात की और प्रश्न भी पूछे। छात्रावास में छात्राओं के मानसिक स्वास्थ्य को बेहतर बनाने के लिए प्रत्येक सप्ताह काउन्सलिंग की व्यवस्था की जाएगी।

## ANNEXURE 5.3 (a)

### **EMBROIDERY WORKSHOP**

Skill Development Initiative

The students of Fashion Technology & Designing dept. organized a Embroidery Workshop as a Skill Development Initiative. This workshop has been in action for the past 2 months, under the supervision of senior craftsman and Expert. Workshops and Practical exposures truly are a means of great learning and provide hands on experience of the craft.

Renowned Rajasthani actor Mr. Shravan Kumar graced the project with his presence and his motivational talk with the students. The words of assurance of all kinds of supports from him as a representative of the industry were a piece of cake.

This workshop duration was 2 months, under the supervision of senior craftsman and Expert, organised by the Dept. Of Fashion Technology & Designing at Mohanlal Sukhadia University.

Workshops and Practical exposures truly are a means of great learning and provide hands on experience of the craft.

### ANNEXURE 5.3(c)

Capacity development and skills enhancement initiatives taken in the year 2020-21

PERAVO-A Fashion Show that blends with Culture.

The year 2021 marked its end with a global feature and acclaimed appreciation for the university's Fashion Technology and Design Department's fashion show, PERAVO 2021. The event was organised in the lake city but showcased LIVE in 8 countries via social media.

The fashion show, in collaboration with Aadawal Rajasthan Sahitya Academy, was solely driven by Rajasthani rich culture as the theme.

The show was a celebration of fashion and fun and joy, and also showcased the richness of Rajasthan culture and attires.

Dr. Dolly Mogra, the head of the department, explained that the various collections showcased in the 4 rounds of the show aims to brings to life, in a visceral way, the Rajasthani Tradition.

To help give this show a distinctive look, the tribal girls from the Rural Engagement Education Program of the university were engaged as models themselves to showcase their unique everyday attire.

The goal really was to create something that demonstrated, without a doubt, that CULTURE is the most beautiful.

In the world we are living in now, joy and celebration are what we all need most. Hence the show started with a round of models walking in traditional celebration attire, later walked with joy in tribal and fusion looks to grab the attention of all.

The final round by final year students with the theme of 'MANDANA-Traditional rangoli Art of Rajasthan' was something that when people saw it, they paused and it grabbed everyone's attention. The colors of Red & White inspired from the traditional Mandana spread on the stagelike joy & celebration.

### **ANNEXURE 5.3 (d)**

### **SEWING MACHINE MAINTEANCE & REPAIRING**

### 'Knowledge Sharing Workshop'

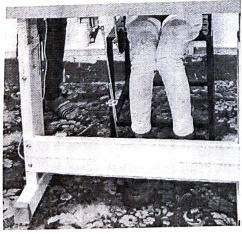

The dept. of Fashion Technology & organized a 3 day workshop for the students, inviting Resource Person, Mr. Rajeev Sadhvani to impart most updated knowledge regarding new and improvised machine set up in the sewing dept.

The main objectives of the workshop were to develop the skills of maintaining and operating different types of Sewing Machine, its parts, their functions and the various related terminologies.

The students were given information regarding the most updated, improvised forms of mechanism available in the industry currently to enable the students to keep their knowledge background in pace with the current ongoing trends.

Workshops and Practical exposures truly are a means of great learning and provide hands on experience of the craft.

घर पर मास्क बनानाः आत्म निर्भरता की शुरुआत

5th October, 2020, 5.00 PM

# ABOUT EDC (EDC के बारे मे )

Entrepreneurship in India is yet to reveal its hidden potential. It will not only help India to frontier with the world leaders but also unlock the quality of brains that we are proud of. With this idea the Entrepreneurship Development Cell is functioning in the premises of Faculty of Management Studies, Mohanlal Sukhadia University, Udaipur. EDC wishes to create entrepreneurial environment in India, especially in Rajasthan. It aims at inculcating entrepreneurial acumen among students, budding professionals, and citizens. Along with this it also organizes trainers training termed as faculty development programs (FDP). Cell organizes student brainstorming sessions and competitions like business plan, entrepreneurship quizzes etc., startup showcases, etalks, workshops, capacity development programs. Moreover, it also acts as a bridge to access support systems required for nurturing a venture like resources, clearances, marketing and finances etc.

भारत में उद्यमिता के क्षेत्र मे निहित क्षमता का प्रदर्शन अभी बाकी है। यह न केवल भारत को विश्व नेत्तृत्व के अग्रणी पंक्ति के साथ आगे बढ़ने में मदद करेगा, बल्कि यह भारतीय दिमागों की गुणवत्ता, जिन पर हमें गर्व है, को भी अनलॉक करेगा । इस विचार के साथ उद्यमिता विकास प्रकोष्ठ (इ डी सी), फैकल्टी ऑफ मैनेजमेंट स्टडीज, मोहनलाल सुखाड़िया विश्वविद्यालय, उदयपुर के परिसर में कार्य कर रहा है। इ डी सी प्रमुखतया भारत मेंऔर खासतौर पर राजस्थान में उद्यमशीलता का माहौल बनाना चाहता है। इसका उद्देश्य छात्रों, नवोदित पेशेवरों और नागरिकों के बीच उद्यमी कौशल को विकसित करना है। इसके साथ ही यह प्रशिक्षकों के प्रशिक्षण को संकाय विकास कार्यक्रमों (एफडीपी) के रूप में भी आयोजित करता है। सेल छात्र बुद्धिशीलता सत्रों और प्रतियोगिताओं जैसे व्यवसाय योजना, उद्यमिता क्विज़ आदि, स्टार्टअप शोकेस, ई-वार्ता. कार्यशालाओं. क्षमता विकास कार्यक्रमों का आयोजन करता है। इसके अलावा यह उपक्रमों के पोषण के लिए आवश्यक सपोर्ट सिस्टम जैसे संसाधनों, क्लीयरेंस, विपणन और वित्त आदि तक पहुंचने के लिए एक सेतु के रूप में भी काम करता है।

# ABOUT THE SESSION (कार्यक्रम के बारे मे)

Face mask has emerged an essential item to protect human life against CORONA (COVID 19). This workshop aims to train families in making face mask at home. It is an attempt not only to make families self dependent in making face mask but also preventing spread of CORONA among these families by way of human interaction while buying of face masks from shop. This initiative by EDC aims to empower women with their handiwork skills. This session will help women artisans find their inner entrepreneurs during Coronavirus. Who Should Join the Program: Home makers, working professionals and students of all income groups who want to protect themselves from spread of CORONA and reduce human interaction should attend and learn Mask Making. Moreover, it would be a beginning of being self dependent (atmnirbhar Bharat) as it would inculcate attitude of Being self dependent.

कोरोना (COVID 19) के खिलाफ मानव जीवन की रक्षा के लिए आवश्यक वस्तु के रूप में फेस मास्क उभरा है। इस कार्यशाला का उद्देश्य परिवारों को घर पर फेस मास्क बनाने का प्रशिक्षण देना है। यह न केवल परिवारों को फेस मास्क बनाने में आत्म निर्भर बनाने का प्रयास है, बल्कि दुकान से फेस मास्क खरीदते समय मानव सम्पर्क के माध्यम से इन परिवारों के बीच कोरोना के प्रसार को भी रोका जाना है। ईडीसी की इस पहल का उद्देश्य महिलाओं को उनके काम कौशल के साथ सशक्त बनाना है। इस सत्र से महिला कारीगरों को कोरोनवायरस के दौरान अपने भीतर के उद्यमियों को खोजने में मदद मिलेगी। कार्यक्रम में किसे शामिल होना चाहिए: घर निर्माता, कामकाजी पेशेवर और सभी आय समूहों के छात्र जो खुद को कोरोना के प्रसार से बचाना चाहते हैं और मानव संपर्क को कम करना चाहते हैं, उन्हें उपस्थित होना चाहिए और मास्क बनाना सीखना चाहिए। इसके अलावा, यह आत्म निर्भर (आत्मनिर्भर भारत) होने की शुरुआत होगी क्योंकि यह स्वयं के आश्रित होने के रवैये को बढ़ाएगा।

"SELF-SUSTAINING ECONOMY: A ROADMAP TO NEW BHARAT" "स्वावलम्बी अर्थव्यवस्था: नवीन भारत की ओर बढ़ते कदम"

> MAY 02, 2020 11:00 A.M. - 02:00 P.M.

COVID-19 has engulfed the entire world and is posing serious economic challenges for nations. The impact of this pandemic in Bharat has been highly disruptive. The vision of a better Bharat can be foreseen with an objective of independent economic system. Making Bharat self-reliant & strengthening the domestic manufacturing will result as a key driver to the economy. Steps towards achievement of inclusive growth, mobilisation of domestic resources and sustainable development is the need of the hour.

A focus towards fostering entrepreneurship; innovation and precision in agriculture and encouraging de-urbanisation is essential in order to re-live the economic growth. Economists have opined that the current situation can be opportunistic for Bharat to expand its manufacturing base and build its own industries. In order to make Bharat resilient to volatilities and economically prosperous & peaceful, there is a need to encourage Self-sustainment in the Economy. The Webinar will focus on developing an interactive and intellectual platform to generate the ideas to make Bharat a self-sustained economy. The Webinar will be divided into two sessions; Panel Discussion and Technical Session of Paper presentations. We invite economists, industry experts, academicians, research scholars, students & delegates from across the country to enrich the platform.

### Papers invited Full length paper upto 2000 words By April 29, 2020

- Paper/article to be sent on below mentioned e-mail address.
  - Selected papers will presented in the Webinar.

Prof. M.p Sharma Former head, department of clinical psychology, NIMHNS, Bangalore, who was the resource person delivered lecture on "Mindfulness, principles and application" at MLSU collage of social science and humanities. Prof. M.P Sharma started his lecture on mindfulness with words and I quote "Mindfulness means paying attention in a particular way; on purpose, in present moment and nonjudgmentally"

He started with introduction of various generation of mindfulness and how as the time went by new research and techniques came to light about how to practice mindfulness and how it became better and more polished, adding to ithe went on to talk about meditation and it's types explaining how simply one can learn to focus his attention on one's feeling, thoughts, sounds, smell and so forth without becoming involved in thinking about them and become mindful

Explaining the various components of mindfulness

- 1. being fully present
- 2. connection
- 3. non attachment
- 4. openness to express
- 5. acceptance of thing as they are
- 6. Compassion and so more

Also talked about the basic principles of non-judgement, mentalevents, impermanence and method of practicing mindfulness,

in contracts he also explained what is "Mindlessness" which is opposite of mindfulness it happens when one forgets someone's name right after meeting them, eat when not hungry, it is state of not being present in the moment and not being properly aware of one's own surrounding

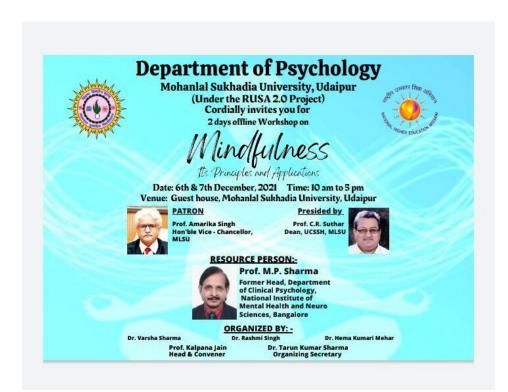

explaining the wrongful idea about what's mindfulness

- 1. Mindfulness is not trying to relax
- 2. Mindfulness is not a religion
- 3. Mindfulness is no difficult
- 4. Mindfulness is not escape from pain

On the second day of the lecture Prof stated that mindfulness is a mind-body practice that has been found to benefit both psychologicalhealth, physical health and spiritual benefit too by simply practising mindfulness which helps in becoming aware of thoughts and feelings and sensations in the present moment which in long run help one become more aware understanding the space between *noticing* experiences and *reacting* to them by letting to you slow down and observe the process of your mind

- Some of Method performed in the seminar
  - 1. Direct involvement of one five senses
  - 2. An "anchor"
  - 3. Returning to the anchor
  - 4. Mindfulness walking (posture, choosing your path, stopping)
  - 5. Mindfulness breathing (getting grounded, notice your breath, staying with your breath)

DR M.P Sharma end the seminar with question\ answering session where mostly all the participants actively participated and DR M.P Sharma answered them all question which were put up by the students. They all learned how to practice mindfulness in most effective and what are the things which are to be careful about and where not to waste time. All the participants found it very interesting to have a such a workshop and will be looking forward to more workshops like such.

### **About The University:**

Mohanlal Sukhadia University is NAAC accredited "A" grade university, (erstwhile Udaipur University) at Udaipur. It is a State University established by an Act in the year 1962 to cater the needs of higher education in Southern Rajasthan with more then 2.25 Lakh Students. The university has 33 departments and more than 180 affiliated colleges from district of Udaipur, Banswara, Dungarpur, Sirohi, Rajsamand, Chittorgarh, and Pratapgarh. The university is located in the lap of the Aravalli hills that are largely inhabited by the tribal population.

Development of self entrepreneurship and capacity building for a sustainable future to support National Education Policy (NEP).

## **MISSION**

- ➤ To develop a resource and incubation centre in the tribal belt of South Rajasthan.
- ➤ To promote and encourage tribal youth for adopting self sustainable, small scale family managed business.
- ➤ To impart knowledge through training and research in Vermi & mushroom biotechnology and public health.
- Figure 6 Giving opportunity to young entrepreneurs to cater their innovative ideas by providing a resource platform.
- To develop the linkage with national and international institution for quality training and partnership in the area of public health.

## 15 Days Hands on training programme for Public health and Entrepreneurship

In recent years, vector borne diseases are increasing and many diseases are reported at first time after a long time period. In this year mosquito borne disease cases like dengue cases have increased significantly up to 1.35 fold till now as compared to last year. Modern vector control campaigns cannot be conducted efficiently and economically unless the organization is staffed with personnel having a high standard of training. The need for special training of vector control personnel has arisen only during the last two decades, following the discovery of modern insecticides. Personnel handling these compounds must be familiar not only with the methods and techniques of application, according to the habits of the vectors concerned, but also with the toxic hazards involved. Modern concepts of vector control, including the possibility of eradicating certain vector-borne diseases such as malaria, have directed attention to the importance of improving the efficiency of control measures. The success of the eradication campaigns against malaria and other vector borne diseases can be through good laboratory and field trainings. The training course impart with a basic knowledge of disease vectors, with special reference to modes of transmission. The training includes practical and field training in the following: collection and preservation of vector; survey methods; identification of vectors; biology and ecology of vectors and the epidemiology of important vector-borne diseases.

#### What are the benefits of the Training?

It is free: it is supported by MHRD RUSA 2.0 for the skill development in public health.

**It is Credible:** You can learn the latest tools and techniques for vector control programmes from renowned national and international experts to improve awareness and understanding of vector control.

It Is Practical: you can access important principles, practices and resources to address vector control issues affecting the country.

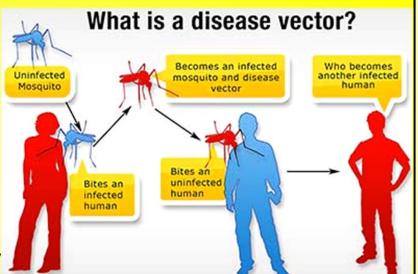

## Objectives of the Training:

- 1. Vector Borne Diseases and Biology of Vectors.
- 2. The effective application of the basic principles of vector control according to local environmental conditions.
- 3. Evaluation of the results of vector control programmes.
- 4. Avoidance of hazards associated with the use of Insecticides.
- 5. Economy of material by proper planning and organization.
- 6. The proper handling of transport and equipment.
- 7. Health education in the local community.

## Topics to be covered during Training Programme:

### **Topics:**

- Vector Borne Diseases (VBDs) in India
- Arthropods of Public Health Importance (Identification and Specimen observation)
- Lab Processing of field Collection
- Specific Vector Control Measures in Emergency
- CDC Bottle Bio-assay, Vapor- tox, cone bioassay, and Peet Grady
- Role of Integrated Vector Control Management-IVM
- Importance of Entomological Surveillance and its role in VBDs
- Entomological Surveillance- Types of Collection for Adults and Larvae
- Insecticide Susceptibility & Resistance to Vector Mosquitoes
- Insecticide Susceptibility WHO Std test-Lab Demonstration
- Bio-efficacy of Insecticidal Residual Spray on Various Surfaces and Laboratory Demonstration
- Larvicides and Adulticides: Introduction and Application and source management
- Field visits: Observation, Reporting and Interpretation of Field Test Results
- Basic Tools and Techniques in Entomological Research (ELISA, PCR etc.)
- Stockholm convention- Phasing out DDT from India for Vector Control
- Equipment for Larvicide and Adulticide Activity
- Types of Vector Control Measures for Adults and Larvae

#### **Training Report**

The ongoing training program in the Zoology Department of the Mohanlal Sukhadia University was completed. The Two weeks training programme started under the supervision of Prof. Arti Prasad, Head of the Department, Department of Zoology and Coordinator RUSA 2.0 funded Career Hub completed following valedictory program. Giving a brief description of the program, Program Coordinator Prof. Aarti Prasad said that on the first day of the training program, the training program was inaugurated by Hon'ble Vice Chancellor Prof. Amerika Singh.

On the first day, the trainees were told about the outline of the training program and the techniques to be taught during the training program and their usefulness. On the second day, RS Sharma, a vector-borne disease specialist of the World Health Organization and former scientific advisor of the World Health Organization, in the first session, informed the trainees about the vectors, pathogens, their identification and breeding sites of all vector-borne diseases occurring in the country.

Along with this, Dr. Sharma talked about the eradication of malaria from India by the year 2030 and the difficulties faced by it. Sharma drew special attention to the current spread of dengue and zika diseases. In the second session of the training, experimentally classify the major vectors and explain their effects on human health. In the same session, Dr PT Joshi, former state entomologist of Gujarat state, threw light on the techniques used for vector borne disease control and the contribution of society in this.

Dr. PT Joshi delivered his lectures on Scrub Typhus, Cerebral Congo Hemorrhagic Fever and Plague. On the third day of the training program, Dr. PT Joshi told the trainees about the method of survey of disease vectors and gave a lecture on the identification of the immature and adult stage of the vectors and the method of their survey. On the fourth day, Dr. PT Joshi told the trainees about the data to be collected during the survey and the method of their collection and its technical nuances.

On the fifth day of the training program, the trainees visited Veerpura village near Jaisamand Lake and Palaghati village located near KevadaNal and conducted survey and got training in technical nuances of survey. The coordinator of the training program and the head of the department, Prof. Aarti Prasad, told that these two villages were surveyed along with the trainees for training to work in the field.

During the survey, Dr. PT Joshi, former state entomologist and vector disease specialist of the state of Gujarat, told about the method of survey of disease vector mosquitoes and other insects and the method of identifying them and protecting them by collecting them in the field. During this, the method of collecting mosquitoes by pyrethrum space spray sheet method was explained experimentally.

Prof Arti Prasad told that apart from going to the field and telling the method of collection and identification of mosquitoes carrying malaria, dengue and chikungunya diseases, the trainees should interact with the people of the village and the methods of making people aware and collect the data on the prevalence of these diseases. Was made aware of the methods of storage

experimentally so that in the near future there is an increase of such vector borne diseases these trainees can become an important resource for the country and help the country to overcome these diseases. Prof Prasad said that during the survey, mosquitoes carrying malaria disease *Anopheles culicifacies* and suspected carrier *Anopheles annularis* were found in abundance, which indicates the danger of spreading malaria in these villages.

During the survey it was found that insecticide treated mosquito nets were distributed to the villagers, but due to lack of awareness among the people about their use, people were found using them to fill the face of the house. On the sixth day of the training program, Dr PT Joshi told the trainees about the method of organizing the data collected from the field and drawing results and conclusions from it.

On the eighth day of the training program, keynote speaker Dr. Kaushal Kumar, insect expert of the National Vector Borne Disease Control Program, told the participants about the benefits of reading entomology, the usefulness of entomologist and employment opportunities in entomology and the method and technology of vector survey. During his lecture, Dr. Kaushal Kumar told that today the whole country is caught in the clutches of mosquito-borne diseases.

And in the last years and even recently, in big states like Delhi, Uttar Pradesh, Rajasthan, hundreds of people have lost their lives due to dengue and zika and mosquito-borne diseases like dengue, malaria, zika are spread by female mosquitoes, so these diseases Control of these carrier mosquitoes is the only way for prevention and control. Prof. Aarti Prasad said that the only way to eliminate these mosquito-borne diseases is to eliminate mosquitoes, which is a very cheap method.

On the ninth day of the training program, Dr. Kaushal Kumar apprised the trainees about Scrub Typhus, Caynaro Forest Disease's vectors, pathogens, symptoms of the disease, prevention and prevention. On the tenth day of the training programme, Dr. Pradeep Srivastava, former director of the National Vector Borne Disease Control Program, told the trainees about the symptoms and prevention and prevention of disease caused by filarial disease.

During this, Dr. Pradeep Srivastava, while talking about the National Filariasis Eradication Program, told about the importance of training them by pointing out the need of young scientists in it. In the second session, Dr. Kaushal Kumar told about the causative symptoms and prevention and prevention of Kala-azar disease. On the last day of the training program, Dr. Kaushal Kumar explained its usefulness by telling the method of knowing the age of the mosquito by dissection of the mosquito and the method of knowing the infection of the mosquito.

Prof. Aarti Prasad said that after the first session, the feedback of the training program was taken from the trainees and after the completion of the training, an examination was conducted for the trainees so that the knowledge acquired by the trainees could be tested during the training. In the last session of the last day, there was an interaction program of the trainees with both the expert scientists Dr. Pradeep Srivastava and Dr. Kaushal Kumar, in which the curiosities arising in the mind of the trainees were pacified.

After that Dr. Kaushal Kumar told about the importance of such training programs in future while explaining the usefulness of the training program. Dr. Pradeep Srivastava motivated the trainees to never get disappointed in life by moving forward with positivity and always motivated them to move forward in life.

In the end, the coordinator of the program, Prof. Aarti Prasad, while thanking all the expert speakers, thanked Hon'ble Vice Chancellor Prof. America Singh for his cooperation and guidance.

When one make Jewellery with their own hands, it looks more attractive and gives satisfaction. So in second part of workshop participants learnt about 'how to make Jewellery from the fabric pieces, beads, threads, cords etc. Flower jewellery by using various techniques were taught by Ms. Jaya.

Prof. Digvijay Bhatnagar motivated participants to learn each and every skill with proficiency so that it would be adopted as enterprise in future. Dr. Dolly Coordinated and Mr. Manish Shrimali gave vote of Thanks.

#### Gandhi Jayanti WEEK Celebration: Swaraaj se Swarojgaar ki Aur

**Date: 01-05/10**/2019

Venue: UCSSH, Saras dairy, Cnter for Women's Studies

**Objective:** To celebrate Gandhi Jayanti following Gandhian Model of community development and holistic development

#### **Highlights:**

1. On the occasion of Gandhi Jayanti Centre for Women's Studies organized one week program. This one week program consists of educational trip, awareness rally, sessions with students, life skill sessions, blood donation camp, health check up camp, and essay competition.

Following is the list of organized programmes:

i.	Blood Donation Camp	1/10/201 9	Camp	7.6	Health
ii.	Poster Making Competition on Gandhiji and charkha	2/10/201 9	Competition	7.6	Art
iii.	Essay Competition on – Bharat ki arthvyavastha me khadi ka yogdan	3/10/201 9	Competition	7.6	Literature
iv.	Eye checkup (Health awareness)	4/10/201 9	Camp	7.6	Health
V.	Dental Check up (Health awareness)	4/10/201 9	Camp	7.6	Health
vi.	Skill Orientation (Handmade handicraft-product competition)	4/10/201 9	Competition	7.6	Skill Development
vii.	Educational trip to Saras Dairy	5/10/201	Educational trip	7.6	Educational/ Skill Development
viii.	Awareness Rally: Gender Sensitivity	5/10/201	Awareness Rally	7.6	Women Empowerment

2. Organized blood Donation Camp and encouraged students to donate blood. Faculties and students leaders and non teaching staffs participated in great numbers and these encouraged students to participate in this noble social cause.

- 3. Doubts and stereotype related to blood donation were dismantled by health experts.
- 4. Post blood donation, as per advice of health experts, essential supplementary were provided to all the donors.
- 5. Educational visit to Saras dairy was made with Centre students and all faculty members. Along with functioning of dairy and milk production and preservation, students learnt about role of Self Help Groups (mostly women) and their financial empowerment through the sale of goal milk to Saras dairy.
- **6.** Students participated in essay competition enthusiastically and an exhibition was organized of slogans and posters made by students.
- 7. Awareness rally on gender sensitivity was organized to sensitize students in the college and Dr. Dolly Mogra talked about importance of real life solutions when students face any uncomfortable situation in their life. Dr. Garima Mishra talked about basic concepts and stereotype related to gender in the society.

Motivational Lecture: How to lead success

Date: 12/10/2019

Keyspeaker: Mr. Sharad Matur, Placement Officer, RSETI-ICICI

Keypoints: Mr. Sharad matur started their talk with the movie on **Arunima Sinha**, struggle towards success story. The keypoints are mentioned were discussed with participants. The session was very much interactive and emotional.

On May 21st this year, Arunima Sinha became the first female amputee to scale Mount Everest.

A former national level volleyball and football player, 26 year old Arunima Sinha's life took a drastic turn 2 years back. Thrown out of a moving train for resisting a robbery, Arunima was hit by a passing train. She recovered after being in a critical condition and fighting for her life for several days. Sadly, her left leg could not be saved.

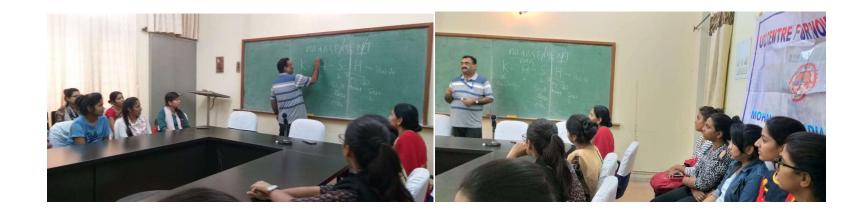

But Arunima had no place for pity in her life. Determined to not let the unfortunate incident overtake her life, Arunima decided that she had to do something about it. She started training for her feat and under the guidance of Bachendri Pal became the first woman to climb Mount Everest with prosthetic legs.

Earlier, Arunima had also qualified for the post of Head Constable with the Indian Central Industrial Security Force (CISF). Through her grit and perseverance, Arunima has proved that disability cannot defeat her spirit and zest for life.

Why we find her inspiring:

- For not letting her misfortune discourage her and instead boldly overcoming her obstacles
- For proving yet again that women can do anything if they set their minds to it
- For reinforcing the fact that differently-abled people are as talented and as capable as everyone else

फिट एंड शेप कार्यक्रम

4 मार्च 2020 को महिला दिवस के उपलक्ष्य में उससे पूर्व महिला स्वास्थ्य एवं प्रशिक्षण के तहत फीट एंड शेप कार्यक्रम का आयोजन किया गया। यह कार्यक्रम विश्वविद्यालय की सामाजिक विज्ञान एवं मानविकी महाविद्यालय की राष्ट्रीय सेवा योजना ईकाई एवं सेंटर फॉर वूमन स्टडी के संयुक्त प्रयासों से आयोजित हुआ। कार्यक्रम की अध्यक्षता सामाजिक विज्ञान एवं मानविकी महाविद्यालय की अधिष्ठाता प्रो. साधना कोठारी ने की एवं कार्यक्रम की विशिष्ठ अतिथि प्रो. दिग्विजय भटनागर थी। प्रो. साधना कोठारी ने योग के माध्यम से कैसे स्वयं को स्वस्थ रख बीमारियों से दूर रखा जा सकता है इस पर प्रकाश डाला। प्रो. दिग्विजय भटनागर ने बताया कि जीवन में स्वास्थ्य एवं सकारात्मकता में डांस थैरेपी की महत्वपूर्ण भूमिका होती है। फिट एंड शेप शो में छात्र-छात्राओं ने फिट एंड फाइन रहने के टिप्स के साथ ही एरोबिक डांस के जिए स्टूडेंट्स, फैकल्टी एवं स्टाफ मेम्बर्स को डांस के माध्यम से फिट होने का संदेश दिया। छात्र-छात्राओं ने कर्णप्रिय संगीत के बीच एरोबिक डांस के जिरण तरह-तरह की एक्सरसाइज का जीवतं प्रदर्शन किया। एरोबिक्स डांस एक्सपर्ट एवं फिटनेस ट्रेनर तब्बसुम ने छात्र व छात्राओं को दैनिक रूप से की जाने वाली एक्सरसाइज का प्रशिक्षण दिया। एरोबिक्स एवं डांस के अतिरिक्त योग के कुछ महत्वपूर्ण आसन भी करवाए गए।

यूं तो व्यक्ति को फिट रहने के लिए डॉक्टर तरह-तरह की दवाइयां एवं एक्सरसाइज करने की सलाह देते हैं, लेकिन यूथ फिट एंड फाइन के लिए ऐरोबिक्स डांस कर खुद को फिट बना रहे हैं। डांस से लोग न केवल मनोरंजन कर रहे हैं, बल्कि यह सेहत का एक बेहतर व कारगर जिरया भी है।

यह कहना है एरोबिक्स डांस एक्सपर्ट तबस्सुम खान का। सुखाडिय़ा विश्वविद्यालय के सेंटर फोर वीमन स्टडी और एनएसएस यूनिट की ओर से बुधवार को आयोजित फिट एंड शेप -शो में छात्र-छात्राओं ने फिट एंड फाइन रहने के टिप्स के साथ ही एरोबिक डांस के जिए स्टूडेंटस, फेकल्टी एवं स्टाफ मेम्बर्स को डांस फिट होने का संदेश दिया। इस मौके पर छात्र-छात्राओं ने कर्णप्रिय संगीत के बीच एरोबिक डांस के जिए तरह-तरह की एक्सरसाइज का जीवंत प्रदर्शन किया।

कार्यक्रम की अध्यक्षता करते हुए कला महाविद्यालय की अधिष्ठाता प्रो. साधना कोठारी ने कहा कि डांस के जरिए होने वाली एक्सरसाइज से न केवल बॉडी को फिट रखा जा सकता है बिल्क अंदर की झिझक निकलने से व्यक्ति का व्यक्तित्व निर्माण भी होता है।

सेंटर निदेशक प्रो. दिग्विजय भटनागर ने कहा कि डांस थैरेपी अपनाने वाली महिलाओं और युवितयों के फिट रहने वाले बेहतर पिरणाम सामने आए हैं। खान ने कहा कि डांस के जिरए शरीर फ्लेक्सिबल रहता है। इससे शरीर के हिस्सों का मूवमेंट बेहतर तरीके से होता है। नियमित एक्सरसाइज करने से बॉडी वॉर्मअप होने के साथ फिट रहती है व शरीर से निकलने वाले पसीने से कॉलेस्ट्रोल को भी कम किया जा सकता है। इस मौके पर डॉ. डोली मोगरा, डॉ. मनीष श्रीमाली, डॉ. ममता कावडिया, वसुधा, पायल जैन, मधु सिंघवी सहित फेकल्टी मेम्बर्स एवं स्टूडेंटस मौजूद थे। योगा- एरोबिक जुंबा डांस की श्रेष्ठ प्रस्तुति करने पर विवि की छात्रा निशा, करिश्मा, पूर्वा, हिमांशी, गुंजन को पुरस्कृत किया।

पृथ्वी विज्ञान संकाय

#### मोहनलाल सुखाडिया विश्वविद्यालय, उदयपुर

शैक्षणिक भ्रमण-स्पेस एप्लीकेशन सेंटर एवं साइंस सिटी, अहमदाबाद

दिनांक 15 एवं 16 फरवरी 2020 को भूगोल विभाग में एम. ए. द्वितीय एवं चतुर्थ सेमेस्टर के विद्यार्थियों के लिए स्पेस एप्लीकेशन सेंटर (इसरो) एवं साइंस सिटी, अहमदाबाद में एक शैक्षणिक भ्रमण का आयोजन किया गया। उक्त भ्रमण। के दौरान दिनांक 15 फरवरी, 2020 को अहमदाबाद स्थित साइंस सिटी का अवलोकन कर भूगोल विषय एवं दैनिक जीवन से जुड़े हुए कई वैज्ञानिक रहस्यों को आसान तरीकों से समझा। इसमें ब्रह्मांड, सौर परिवार, अंतरिक्ष अनुसंधान, कृषि, उद्योग, पारिस्थितिकी, खनिज, चट्टानें एवं उनकी संरचना आदि सम्मिलित है।

भ्रमण के दुसरे दिन दिनांक 16 फरवरी 2020 को स्पेस एप्लीकेशन सेंटर अहमदाबाद का निरीक्षण किया। इसमें डॉक्यूमेंट्री फिल्मों के माध्यम से भारत की अंतरिक्ष में उपलब्धियां एवं चंद्रयान के बारे में विद्यार्थियों को जानकारी दी गई। भारत की अंतरिक्ष एवं सुदूर संवेदन क्षेत्र की सभी उपलब्धियों को प्रदर्शनी के माध्यम से देखकर विद्यार्थियों ने कठिन वैज्ञानिक प्रणालियों को सरलता से समझा। स्पेस एप्लीकेशन सेंटर के बाद सभी विद्यार्थियों ने राष्ट्रपिता महात्मा गांधी के साबरमती आश्रम का भी अवलोकन किया। उक्त भ्रमण विद्यार्थियों के लिए भूगोल विषय एवं वैज्ञानिक सोच के विकास, दोनों ही दृष्टिकोण से अत्यंत महत्वपूर्ण रहा। इस भ्रमण में विभागाध्यक्ष प्रो. सीमा जालान, असिस्टेंट प्रो. डॉ. देवेन्द्र सिंह चौहान, डॉ. सबिहा खान एवं उर्मि शर्मा, कार्टोग्राफर कैलाश मीणा, शोधार्थी राजेश यादव एवं विभाग में अध्ययनरत एम. ए. द्वितीय एवं चतुर्थ सेमेस्टर के कुल 25 विद्यार्थियों ने भाग लिया।
