File no.: UCOS/Biotech/TCD/ECR/2018/05

Applications are invited on a plain paper from Indian nationals with a cover letter, updated CV and copies of all necessary qualifications and experience certificates for the post of one JRF/Project fellow to work on the DST-SERB funded ECR project.

Title of the Project: Characterization of genetic determinants of industrially beneficial physiological traits using quantitative trait loci mapping.

Qualifications: For JRF: M.Sc. (Biotechnology/Life Sciences) with NET. For PF: M.Sc. (Biotechnology/Life Sciences) with at least 55% marks

Desirables: Experience in molecular biology, microbiology, genomics and scripting languages

Term of the project work: For a period of about 3 years

Emoluments: For JRF 25,000 PM + 10% HRA (I & II yr) and 28,000 PM + 10% HRA (III yr); For Project Fellow 21,700 PM + 10% HRA (I & II yr) and 24,800 PM + 10% HRA (III yr); and for M.Tech. qualified candidate 25,000 PM + 10% HRA (I & II yr) and 28,000 PM + 10% HRA (III Yr). Fellowship is likely to be revised.

Interested candidates may send/submit their application (*via* email or in hard copy) complete in all respect to the office of the Principal Investigator (PI) within 15 days from the date of advertisement. No TA/DA shall be paid for the interview.

Dr. Tikam Chand Dakal

PI, DST-SERB ECR Project
