Anjali Singh PhD  
Assistant Professor  
Department of English  
Mohanlal Sukhadia University  
Udaipur, India.

Dear Dr. Singh,

### International Conference: Celebrating Giritiya Lives

Congratulations on the acceptance of your proposed paper as per your abstract titled ***Multiple 'Belongings': Cross-cultural Identity in the Giritiya Diaspora***, for the said Conference.

Given the promise of your proposed paper, and your expertise as per your CV, the Organising Committee has agreed to provide you travel and accommodation support towards your travel to Fiji. Other than delivering the full paper and submitting the same to the Committee, the Committee has also requested that you coordinate the New/Emerging Writers Clinic which will be held parallelly with the other concurrent sessions.

You would need to be in Suva, Fiji by the evening of 11 April at the latest, and be able to depart Suva after the conference. Please advise us of your preferred travel dates. To facilitate ticket bookings, please advise us if you have transit visas for Malaysia, Singapore, Hongkong and Australia.

Our team would be in touch with you on travel and accommodation logistics.

Warm regards,

Yours sincerely,

Ganesh Chand  
Chairperson  
Sub-Committee on International Conference

## About the University

Mohanlal Sukhadia University (erstwhile Udaipur University), Udaipur is a state University established by an Act in the year 1962 to cater the needs of higher education in Southern Rajasthan with more than 2.25 Lakh Students. The University is in Aravalli Hill Area largely dominated by tribal populations.

## About the Department

Department of Biotechnology was founded in the year 1997 with a vision to foster and promote research & innovation in the field of biotechnology. Initially, 2 year Post-graduate program in Biotechnology was started followed by 3 year Bachelor Course from the academic session 2005-2006. The department boasts of an excellent infrastructure with aesthetically landscaped large lush green gardens that surround the building and provide a serene eco- friendly environment for the students.

## About Udaipur

Endowed with rich cultural heritage, natural resources and beautiful landscape, Udaipur is a world renowned tourist attraction. Founded by Maharana Udai Singh II in 1559, it's set around a series of artificial lakes and is known for its lavish royal residences.

## About the Conference

National Conference on Recent trends in Biotechnology will be held in Mohanlal Sukhadia University, Udaipur from 03<sup>rd</sup> to 04<sup>th</sup> March, 2023.

The focus of this national conference is to introduce the recent research advances in the areas of biotechnology and related fields to the academicians, students, and industry personnel through mutual exchange of knowledge. The conference will provide an interactive forum for presentation and discussion on emerging areas of Biotechnology and associated fields. The event will help gain an insight into the state of the art in the current technology, techniques and solutions in Biotechnology as they have been developed and applied. We invite a wide variety of stakeholders from research and academia, to industrial sectors as well as government organizations. The organizing committee also welcomes participants who are interested in developing professional ties and exploring career opportunities.

**Subject: Invitation for keynote speech for the virtual training Empowering Women in GIT on 16 August 2022**

Dear Dr Jalan,

Greetings from ICIMOD!

It is my great pleasure to invite you as a keynote speaker during the opening session on 16 August for our virtual training “Empowering Women in GIT”. This training is being held from on 16-19 August 2022. The training aims to build capacity of young and early career women from the Hindu Kush Himalaya (HKH) region on the applications of Earth observation (EO) and geospatial information technology (GIT). The training is being organized under ICIMOD’s SERVIR-HKH initiative, a joint development initiative of the National Aeronautics and Space Administration (NASA) and the United States Agency for International Development (USAID). SERVIR-HKH have been organizing WoGIT for the past four years (2018–2021) and in 2021, we scaled out this concept to five HKH countries: Afghanistan, Bangladesh, Bhutan, Nepal, and Pakistan. In March 2022, we organized an advanced training for our 2021 alumni.

As this training is especially conducted for early career women from HKH region, listening to you from your vast experience about career scope and options for GIT applications will be of great motivation to them. The background note is attached herewith for your kind reference and consideration.

Please feel free to contact Mr. Rajesh Shrestha at <[rajesh.shrestha@icimod.org](mailto:rajesh.shrestha@icimod.org)> or +9779860309661 for further information regarding the workshop.

Thank you and with best regards.

Yours sincerely,

Birendra Bajracharya  
Chief of party, SERVIR-HKH
