Action Taken Report

Course 'BLib.I.Sc' has been revised under the programme 'CBCS' based on the feedback received from the stakeholders i.e., students, teachers, employers, alumni, and subject experts. They suggested that syllabus should be according to emerging trends and technologies in library and information science. From the analysis of feedback, it has been concluded that ICT based curriculum should be design, IT practice papers and educational visits must be included. These suggestions or inputs were presented in the meeting of the Committee of Course (CoC) held on 03.08.2019. The CoC proposed to add the latest ICT enabled papers. The minutes of the CoC were approved in the meeting of the Faculty of Social Sciences on 14.08.2019 and by The Hon'ble Vice Chancellor on 16.10.2019 and the Academic Council on 30.11.2019.
