

Action Taken Report

1. In Academic session 2019-20 the new core course paper "Oceanography and Climatology" was introduced in M.Sc. Tech Applied Geology 2nd semester by removing Environmental Geology (MT2GEO04-CT08) paper from the existing syllabus. The paper code of the new core course paper remain same as MT2GEO04-CT08.
2. Feedback form was provided to every student in order to get their response on following parameter. (mail enclosed)

| Parameters |
|--|
| 1. Depth of the course content |
| 2. Extent of coverage of course |
| 3. Applicability to real life situations |
| 4. Learning value (in terms of knowledge, concepts, manual skills, analytical abilities and broadening perspectives) |
| 5. Clarity and relevance of textual reading material |
| 6. Relevance of additional source material |
| 7. Extent of effort required by students |
| 8. Adequacy of syllabus |
| 9. Extent of syllabus covered in class |
| 10. Benefits derived from the course |

3. On the basis of their response we concluded that
 - a. Students are giving positive response on the depth of course content, Applicability in real life situation and adequacy of syllabus.
 - b. Students are satisfied with the benefits derived from the course and its learning values.
 - c. They suggested for that new books regarding this course is to be made available to them in library. And we had purchased the books and its now available in the library.

MINUTES OF THE MEETING

A meeting of the following members of the Committee of Courses in Geology was held on 15th September, 2018 in the Department of Geology. The following members were present:

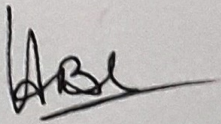

1. Prof Harsh Bhu- Convener
2. Prof S.R.Jakhar- Member
3. Dr KK Sharma- Member
4. Dr Ritesh Purohit- Member

At the onset Convener of the Committee of Course welcome the members of the Committee of Courses and thereafter the committee considered the following agenda and resolved as below:

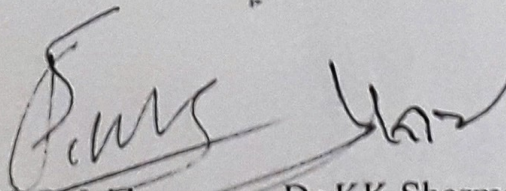

1. The committee observed that the syllabus of M Sc Tech (Applied Geology) of CBCS pattern needs a minor revision as the students are facing difficulty in clearing the NET examination for Earth and Atmospheric Sciences conducted by CSIR and GATE. This topic is not a part of the existing syllabus.

The committee therefore recommends introducing the paper 'OCEANOGRAPHY AND CLIMATOLOGY' in lieu of the paper MT2GEO04-CT08 ENVIRONMENTAL GEOLOGY in theory and similarly in practical paper MT2GEO06-CP04 as PETROLEUM.COAL AND RADIOACTIVE MINERALS & OCEANOGRAPHY AND CLIMATOLOGY.

The meeting ended with thanks to the chair.

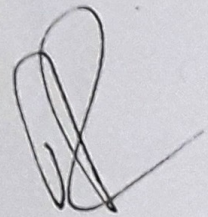

Prof Harsh Bhu

Prof S.R. Jakhar

Dr KK Sharma

Dr Ritesh Purohit-
