Sir,

With reference to above subject and reference, you are aware, that AISHE survey by MHRD Government of India for 2016-17 was started 13.12.16 on online portal "aishe.nic.in". **The DCF-I of your university is yet not been uploaded and the progress of the affiliated private colleges is very less than 50%.**

To get 100% response in the AISHE survey, state government has made AISHE survey, a mandatory requirement before issuing No Objection Certificate (NOC) to private colleges and we have also issued the directions to Government colleges to help the private colleges to upload their DCF-II as Nodal college. **You are also requested to include compliance of AISHE survey as a mandatory requirement for affiliation/examination and declaration of examination results for the private affiliated colleges.**

Kindly devise a strategy to ensure that all affiliated private affiliated colleges and B.Ed colleges under your university jurisdiction will fill and upload the Data Capture Format (DCF-II - for affiliated colleges) for survey year 2016-17 before the last date.

This is to further request you to please direct Nodal Officer of the university to contact and coordinate with Dr. Pankaj Mathur (State Nodal Officer)/Shri Banphool Agarwal (ACP) on 0141-2706106 or dce.egov@gmail.com to expedite the survey work.
