The meeting started by welcoming all the members and the issue of Central Pool for Sports activities was discussed at length. After healthy discussion it was unanimously decided that College and inter-classes sports activities should now be organised by the University Sports Board. The selection of inter-classes team and conduct of events, etc. would be the responsibility of coaches/sports incharges of the colleges concerned. These sports activities will now be organised under the Sports Board's supervision and not under the Deans as done earlier. The Sports Board will also manage the prize distribution work, etc.

The Secretary Sports Board desired extra staff for this new assignment. In this light he wanted one Accountant, two LDCs and four Peons to discharge the new responsibility effectively. Even the sanctioned posts of Physical Director (three) and their staff, its budgetary provisions should also be transferred to the Board. Looking to the quantum of new work, it was unanimously agreed. Lastly, it was decided that all the constituent colleges who are charging sports fee from the students will send Rs.50/- till 14-10-2000 per student and the remaining amount of Rs.30/- latest by Jan., 2001. This amount will be sent in favour of the Chairman, Sports Board.
