ADVANCED OPTION STRATEGIES

Saturday, 24th November, 2018

About FMS

Faculty of Management Studies, Mohanlal Sukhadia University (NAAC accredited 'A' grade University) is a leading management institute of Rajasthan. Along with a focus on Quality Education, it emphasises on broader business managerial aspects, for developing the student to excel in the Corporate Environment.

FMS offers management curriculum in various disciplines like MBA (CMAT), MBA (Financial Service Management), MBA (e-Commerce) and BBA (Entrepreneurship Development).

Overview

The derivative markets are a great wealth creator and provide hedging opportunities for exposed risk of all traders and investors in financial markets. The successful wealth creation through option strategies was well-demonstrated in first Management Development Programme on 'Financial Derivatives' where the discussed covered call strategy on Adani Ports fetched a profit of Rs. 50,000+ in three trading days of MDP. On the backdrop of overwhelming response & grand success of first MDP, Faculty of Management Studies is organising a one-day MDP on "Advanced Option Strategies" on Saturday, November 24, 2018. The MDP will focus entirely on wealth creation and risk management using various option strategies and their combinations. The programme will practically discuss the selection of strategies and creation of trading positions for successful wealth creation in various economic & political volatility situations.
