Education has supreme importance as it has the power to shape the life of humans thereby making the world a better place. National Education Policy 2020 focuses on Entrepreneurial Education by developing skills that will help students to lead exceptional lives in a rapidly changing world. This Webinar aims to serve as a constructive platform that will highlight the importance of entrepreneurship in education being an important step towards building Aatmanirbhar Bharat.

E-Certificate to all the participants after the submission of feedback form
