Considered and resolved that due to COVID-19 pandemic this special scheme for improvement of papers in UG and PG classes will be allowed for this year only. For UG/PG classes fee of Rs.200/- per paper will be charged separately along with other fees. While declaration of the improvement papers result of higher side marks (old & new marks) will be considered only. For COVID-19 special examination, the final result of such candidates will be declared by considering their earlier awarded marks in other subjects. For supplementary examination resolved that "supplementary" word in mark-sheet and T.R. will not be mentioned from this session.

05. To consider the application received from student leaders for non-submission of hard copy of examination forms in the light of University Order No.F.85/Gen./MLSU/2019/5924 dated 08.11.2019. Since other Universities like the University of Rajasthan also instructed their students to deposit the hard copy of Examination Forms and hard copy is being very essential document to verify the eligibility/marks of previous years/due paper marks/subject verification/other verification of student information at college as well as University level, therefore, this process of non-submission of hard copies cannot be discontinued.
