MLSU, Udaipur

About Mohanlal Sukhadia University :

Mohanlal Sukhadia University, Udaipur, is NAAC Accredited 'A' grade State University in Rajasthan. It consists of four constituent colleges including the University College of Science and 156 affiliated colleges from the districts of Udaipur, Chittorgarh, Rajsamand and Sirohi. Started in 1964 as University of Udaipur, it was renamed in 1984 as Mohanlal Sukhadia University in memory of former chief minister Shri Mohanlal Sukhadia. The University has ensured overall socio-economic growth of all the sections of society by encouraging greater access and inclusive approach making it the most preferred institution for higher education, learning and research.

About the Department :

The Department of Pharmaceutical Sciences, Mohanlal Sukhadia University, Udaipur, was established in the year 1994 with a mission to satisfy the quest of budding Pharmacists and inculcate the moral values along with competence in the students of Pharmacy, as well as to spread awareness regarding safe use of medicines thereby promoting health in the society. Initially, it was started with a diploma course in Pharmacy which was then upgraded to degree course in 1998. This is the only University Department in the State of Rajasthan imparting Pharmacy Education. The Department is approved by Pharmacy Council of India as well as All India Council for Technical Education and is currently running B. Pharm. and Post graduate (Ph.D.) courses. The Department at present is having eleven well-qualified permanent teachers in all the specializations of Pharmaceutical Sciences. The Department has published more than 300 papers in various national and international journals of repute. About 25 students have graduated with Doctoral degree till date. In the year of 2021, the Department has completed 26 years of its existence as a premier institution in the field of Pharmacy Education and Research in India.
