About Mohanlal Sukhadia University:

Mohanlal Sukhadia University, Udaipur, is NAAC Accredited 'A' grade State University in Rajasthan. It consists of four constituent colleges including the University College of Science and 156 affiliated colleges from the districts of Udaipur, Chittorgarh, Rajsamand and Sirohi.

Started in 1964 as University of Udaipur, it was renamed in 1984 as Mohanlal Sukhadia University in memory of former chief minister Shri Mohanlal Sukhadia. The University has ensured overall socio-economic growth of all the sections of society by encouraging greater access and inclusive approach making it the most preferred institution for higher education, learning and research.

About the Department :

The Department of Pharmaceutical Sciences, Mohanlal Sukhadia University, Udaipur, was established in the year 1994 with a mission to satisfy the quest of budding Pharmacists and inculcate the moral values along with competence in the students of Pharmacy, as well as to spread awareness regarding safe use of medicines thereby promoting health in the society. Initially, it was started with a diploma course in Pharmacy which was then upgraded to degree course in 1998. This is the only University Department in the State of Rajasthan imparting Pharmacy Education. The Department is approved by Pharmacy Council of India as well as All India Council for Technical Education and is currently running B. Pharm. and Ph. D. courses. The Department at present is having eleven well-qualified permanent teachers in all the specializations of Pharmaceutical Sciences. The Department has published more than 200 papers in various national and international journals of repute. About 20 students have graduated with Doctoral degree till date. In the year of 2017, the Department has completed 23 years of its existence as a premier institution in the field of Pharmacy Education and Research in India.

About the Seminar :

The most important need of the present era is to develop manpower with aptitude for research catering to the needs of the Industry. This seminar will provide a forum for exchange of knowledge and views on Industry-Academic Correlation. Key

note speakers from Academia and Industry will share their expertise for a better co-ordination between education and employment. This would be an opportunity for students and researchers to interact and obtain first hand information regarding the present research needs.

Eligibility :

Academicians/Scientists/Industrialists/Research Scholars/PG&UG Students from Pharmaceutical / Basic Sciences are eligible to attend the seminar.

Call for Abstracts:

Original Research and Technical papers in the emerging field of Pharmaceutical/basic sciences are invited for poster presentation. The paper must be original contribution. Authors are requested to submit the abstract (not exceeding 300 words including keywords) by e-mail to **mlsupharmdst2018@gmail.com** on or before **8th March 2018**. The title should be in bold letters, upper case, Times New Roman, centered, font size 12, 1.5 line spacing followed underneath by author name(s) and affiliation along with complete postal address and e-mail of corresponding author in lower case. The body of the text should be in Times New Roman, font size 12, line spacing 1.5 and justified to normal margin without embedded figure, tables or references. The Name of presenting author should be marked with an asterisk. Registration is compulsory for presenting author. The information about acceptance will be communicated within two working days from the date of submission of the abstract.

Guidelines for Poster Presentation:

Prepare your poster 24" wide X 36" high in portrait orientation. Use single or two colours only with visibly clear pictures & font size.

Guidelines for Oral Presentation:

Prepare your presentation slides in Microsoft Power Point™ preferably using Microsoft Windows 7 or higher and / or Microsoft Office 2010. The time of the presentation should not exceed 10 minutes.
