MTCS-2016

Theme of the Conference

Chemical science is a rapidly growing area, which has solved many problems. Side wise, it is also considered responsible for deteriorating the environment making our life difficult on this planet. Therefore, it is the prime duty of a chemist to develop some ecofriendly techniques, chemicals, and other commodities. In this context, some emerging branches of Chemical Sciences are developing at an ever increasing pace like Green chemistry, Nanochemistry, Supramolecular chemistry etc. It is, therefore, planned to organize a National Conference on "Modern Trends in Chemical Sciences", so that the persons dealing with conventional chemistry are made aware of the subject and get initiation to work in this direction.

About Department

The Department of Chemistry was established in 1964. It is DST-FIST sponsored Department. It is known for its contribution in the fields of Photochemistry, Coordination Chemistry, Chemical Kinetics, Synthetic Organic Chemistry, Green Chemistry and Natural Products. The Department has to its credit 25 research projects, more than 1750 papers, 50 reviews and 430 Ph. D. It has well equipped laboratories. This Department is presently chaired by Dr. Pinki B. Punjabi.

MTCS-2016

Thrust Areas

- Green and Sustainable Chemistry
- Synthetic Organic Chemistry
- * Recent Trends in Drug Chemistry
- Nanotechnology/Nanochemistry
- Microwave Assisted Synthesis
- Chiral Chemistry, Catalysis & Ionic Liquids
- Materials Science and Environmental Chemistry
- Coordination Chemistry
- ❖ Supramolecular Chemistry
- Natural Products

Call for Papers

The soft and hard copy of the abstract (maximum 200 words) should be sent to the Organizing Secretary on or before 19th December 2015. Name of the presenting author should be underlined and corresponding author with an asterisk with their full postal address, contact number and e-mail address in the abstract. Abstract should be in MS-Word (Times New Roman, Font size: Title & address-14 and text-12 with 1.5 line space).

Registration and Accommodation:

Registration Fee	Without Accommo- dation	With Accommod- ation	On spot Registration*
Delegates from Academia	Rs.1000/-	Rs.2500/-	Rs.1200/-
Research scholars/ students	Rs.600/-	Rs.1500/-	Rs.800/-

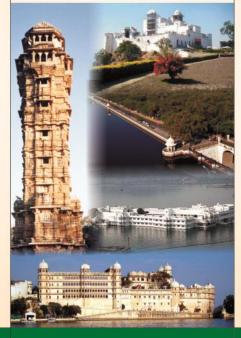

*Subject to availability of materials.

Registration fees (accommodation charges, if required) should be sent in the form of Demand draft/ Multicity cheque in favor of Head, Department of Chemistry, C. OF Sc. MLSU, payable at Udaipur (Rajasthan) on/before 5th January 2016.

MTCS-2016

About Udaipur

Udaipur is famous for its beautiful lakes, palaces, forts, temples and gardens. It is located in the southern region of Rajasthan and is close to Gujarat and Madhya Pradesh. It is known as "City of Lakes". The major places of interest in the city are-City Palace, Sajjangarh Biological Park, Saheliyon Ki Bari, Ahar Museum and Shilp Gram. Nearby places worth visiting are Chittorgarh, Kumbalgarh, Nathdwara, Mount Abu, Jaisamand etc.

MTCS-2016

UGC Sponsored
NATIONAL CONFERENCE

MODERN TRENDS IN CHEMICAL SCIENCES

30th & 31th January 2016
